

WHO'S WHO AGAINST GENDER VIOLENCE SAVE THE WORLD CARTOONS

The Mayor of Walvis Bay and the Ambassadors of Brazil and of Portugal in Namibia are very happy to welcome you to the current Cartoons Exhibition at the Walvis Bay Library, pointing its focus on some of the most relevant issues of our time, in particular the environmental challenges to our planet, as well as the unabated fight against gender-based violence. We would like to hope that these five dozen of truly inspirational drawings will have an impact, fostering individual thinking while making you laugh with real amusement. In fact, the humoristic approach to almost everything that happens in life is, maybe, one of the main characteristics of the Brazilian and of the Portuguese peoples, one that we are sure our Namibian brothers and sisters will happily share. Enjoy!
